Membership at The Chelsea Art Museum

Take advantage of all that CAM has to offer by joining today! The Chelsea Art Museum presents contemporary thematic exhibitions complimented by public programs intended to foster critical thinking about today's world. As a member you'll enjoy unique opportunities to gain insight into cutting-edge visual, new media, and performing arts, all within CAM's intimate setting. This is your opportunity to meet leading figures in New York's art scene while making a valuable contribution to the only nonprofit modern and contemporary art museum in Chelsea.

The Chelsea Art Museum is founded on the legacy of abstract expressionist painter Jean Miotte, whose foundation is housed within the Museum. Many of Miotte's artworks comprise CAM's impressive permanent collection. Through his painting, Miotte strove to build a bridge between cultures and transcend national boundaries to form a truly international artistic language. It is in this spirit that CAM presents its exhibitions and programming.

Thank you for your support and welcome to the CAM community.
